

## CURRICULUM VITAE

(Professional autobiography)

### **Personal Datas:**

**Name/Surname:** Giorgi Chakhunashvili

**Date of birth :** 07.06.1954წ.

**Citizenship** – Georgia

**Personal information :** Wife and two sons

**Apartment address :** Georgia, Tbilisi. Nutsubidze III plateau , II block. Telephone number : 2 32 68 16 Mobile: 593 33 71 54

**Job address** – Tbilisi, Lubliana st. 21, Pediatric Clinics named after I. Cicisvili , telephone: 2-47-04-01

**E-mail:** [info@sppf.info](mailto:info@sppf.info) **Web-page :** [www.sppf.info](http://www.sppf.info) [www.esgns.org](http://www.esgns.org)

**Speciality :** **Pediatry, Children cardio-rheumatology**

**Academic degree:** **Doctor of medical science**

**Scientific-pedagogic rank:** **Proffesor**

**Scientific-pedagogic activity:** Academic of Georgian humanitarian and artificial scientific academy and natural science..

**Governmental rewards:** “Order of Honor” (N-262 2012.14 July)

**Honorary Rank :** **Member of Top 100 Educators 2009 (Cambridge, England) 29<sup>th</sup> june 2009**

**Professional Experience :** **35 years**

**Pedagogic experience :** **32 years**

**Scientific experience :** **35 years**

### **Post.**

**Head of quality assurance in medical care of pediatric clinic named after I.Cicishvili.**

**Residency program director of cardiology/rheumatology in Tbilisi State Medical University.**

**Vice-President of Georgian Humanitarian and Artificial Science Academy.**

**Vice-President of Aatural Science Academy.**

**Chairman of Georgian National Section of Euroscience. (Strasbourg – France)**

### **Education and professional scientific-pedagogic activities:**

1979 – Graduated from Pediatric Faculty of Tbilisi State Medical University

1988 – maintained thesis for a candidate degree and was ranked as a Candidate of medical science.

1992 – maintained thesis for a doctor’s degree and ranked as a Doctor of medical science.

1993 – was elected as an assistant professor of pediatric faculty. (ranked as an assistant professor)

1996 – 2007 – Was a professor of a TSSU pediatric specialization department. (Ranked as Professor).

### ***IB Euro-Caucasian University***

2009-2013 -  Full professor.

2009 – until now – Full professor of Georgian Critical Medicine Institute. Completed full course of qualification and training in Ukraine (Kiev), Russia (Moscow, Volgograd, Rostov), Switzerland (Geneva), Sweden (Stocholm), United Kingdom (Birmingham), U.S.A. (Olban, Boston), Turkey (Ankara), Greece (Athene), Georgia (tbilisi).

### **Work experience:**

2011– present - Head of quality assurance in medical care of pediatric clinic named after I.Cicishvili.

2006-present - Residency program director of cardiology/rheumatology in Tbilisi State Medical University.

2009-2011 – Deputy director of Pediatric Clinic named after G.Zhvania

1997-2009 - Deputy director of TSSU Pediatric Clinic.

1996-2006 - Professor of a TSSU pediatric specialization department

1993-1996 – Assistant professor of TSSU pediatric department.

1981-1993 – Assistant of TSSU #1 pediatric department.

2008-present – Chairman of Georgian National Section of Euroscience.

2006-2008 – Academic of Georgian Humanitarian and Artificial Science Academy, Vice-president from 2008,

True member of Georgian Natural Science Academy, Vice-president from 2013

2009-present secretary of Georgian Pediatric Academy council

2003 – Vice-President of Georgian Pediatric Association

1992-present – President of Georgian Children Cardiologists Association

2003-present – President of Social Pediatrics Protection Fund, with help of this fund more than 97 000 children were examined for free.

2002- Was elected as main podiatrist of Tbilisi

2009-present – Member of The World Academy of Sciences, Technology and Engineering Council of Experts

2005 1 June- present – Academic of OGASH academy

2006- present – academic of IAMSS academy

Member-co-respondent of OGASH leader group

GOASH national expert

Member of Georgian Economic Regeneration Union

Euro Science member

Member of National Cardio-Rheumatologists Society

Board member of Georgian National Cardiomyopathy Society

Member of Europe Children Cardiology Society

Member of Europe Cardiology Society

Member of Georgian Patriarchy integrated Georgian Scientific Intellectual council

Founder of Association – “Harmony”

Public council member of Georgian State Minister deliberative organ  
1994-present – member of TSSU thesis council in cardiology, rheumatology, pediatrics, obstetrician-gynecology, rehabilitation, resortology  
1988-present – founder and main editor of news-paper “Social pediatrics” and scientific-practical magazine “social, Ecological & Clinical Pediatrics”  
2007-present – founder and main editor of magazine “Pediatric Cardiology”.  
2007-present – President of national fund “Security and Child” (with offices in Georgia and U.S.A)  
2008-present – Chairman of Georgian national medical department of national fund “CODATA”  
2009-present – Chairman of Medicine and sport department of Euro science Georgian section  
2008-present – Program FP7- CORDIS expert.

**Sphere of scientific interests:**

Cardiovascular system development physiology – Children and adult cardiovascular Physiological Peculiarities in normal and pathology, problems of hypertension and atherosclerosis , Georgian medicines and their effects, sportsmen normal physical development, rheumatology, immunology, gerontology, geriatrics, valeology, sanology, clinical-epidemic research, usage of mathematical methodology in discussions of child and adult health problems.

Is actively collaborating with foreign scientists from Switzerland, Italy, Japan, Germany, France, U.S.A. , Czech Republic, Greece, Estonia, Ukraine, Austria and others.

**Participating in scientific forums:**

Taken part in more than 50 international conference s– as an organizer, chairman of the section or as a speaker.

He held local and international conferences (28) and simposiums (19) as a chairman of organizing committee or as a president.

**Patents and licenses :**

Right to be an author of 16 patents.

**Pedagogic experience:**

1981-1993 - Assistant of TSSU #1 pediatric department

1993-1996 – Assistant professor of TSSU pediatric department

1996-2006 – Professor of TSSU pediatrics specialization department

2003- present – Participating in U.P.G. teaching process (leader of 6 programs)

2006-present – Pedagogics of TSSU Pediatric branch

2009-present – Head of “Pediatric Cardiology” residency program

1993-1996- Member of the thesis council of cardiology and rheumatology  
 1996-2006- Member of the thesis council: Cardiology, Rheumatology, Pediatrics, obstetrician-gynecologist, rehabilitation, resortology  
 1997-1999 – Secretary of specialization thesis council “Pediatrics”  
 2000-present - Under the guidance 8 thesis was maintained and more than 50 thesis complained  
 2007 – short-term scientific mission in U.S.A. Olban Univercity  
 2009- 3 thesis program for a doctor’s degree was maintained (one was put on in TSSU, and others are in process)  
 2009- Was named “among world’s top 100 teachers” by International Biography Centre (Cambridge, England)

For purpose of science popularization, he’s often on TV, radio, reads lectures, and publishes articles about child and adult development and their health. He read lectures for sportsmen and adults about newest achievements (Project of Shota Rustaveli National Scientific fund). Has read lectures in foreign countries like Moscow, Kiev, Geneva, Albany.

**Leadership and participation of grant programs:**

28 in overall: leader of projects in 18 of them and participant in 10.  
 Was also participating in USAID and WORLD LEARNING working group activities, which goal was to work out Georgian national action plan project for the interests of invalids and after this, to offer this plan to the government.  
 In 2007 Social Pediatrics Protection Fund, with a help of other non-governmental organizations won in a competition “Let’s learn to live together” which was held by USAID and WORLD LEARNING.

**Membership of professional and scientific organizations:**

Membership of professional associations, societies and international organizations				
	Name of associations:	Status	Term
